2006-2007 All-in-One Catalog on CD-Rom 多合一光盘

The 2006/07 All-in-One Alfa Aesar Catalog is now available on CD-ROM. The new CD version contains the full range of products from the print catalog, including the newly integrated Lancaster Synthesis products. Including a version of Molsearch™ software for structure and substructure searching, the CD allows users to draw the molecule of their interest and find all matching Alfa Aesar products. Other searches can be conducted using a variety of fields from the full product database.

2006/07多合一Alfa Aesar目录现在有了光盘版。新的光盘版包含印刷版目录中所有的产品，包括新被合并的Lancaster Synthesis公司产品。还包含用于结构和子结构检索的Molsearch™软件，在光盘上，用户可以将感兴趣的产品分子式画出来，然后检索出所有匹配的Alfa Aesar产品，其它检索方式也可以对产品数据库进行检索。

The CD also offers comprehensive reference data, including standardized reference fields such as CAS, MDL, and Merck numbers, as well as application and technical notes, environmental health and safety information, and pricing. Links to the online Alfa Aesar Material Safety Data Sheet (MSDS) pages are provided for each product.

光盘同时还提供了大量的参考数据，包括CAS, MDL, and Merck序号，产品应用和技术指南，环境健康和安全信息，以及价格等标准参考数据，还为每个产品提供指向Alfa Aesar材料安全数据表(MSDS)页面的链接。
