

Multifunctional Nitrogen Heterocycles Containing Iodine

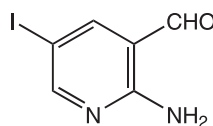

Alfa Aesar extends its range of building blocks with the following multifunctional nitrogen heterocycles containing iodine.

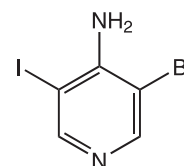

H50002

2-Amino-5-bromo-3-iodopyridine

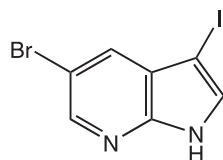

H50006

2-Amino-5-iodopyridine-3-carboxaldehyde

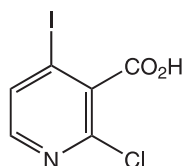

H50030

4-Amino-3-bromo-5-iodopyridine

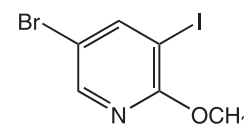

H50041

5-Bromo-3-iodo-1H-pyrrolo[2,3-b]pyridine

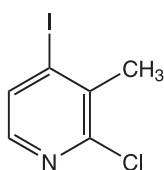

H50049

2-Chloro-4-iodonicotinic acid

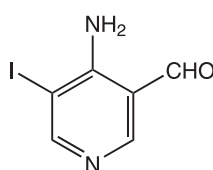

H50061

5-Bromo-3-iodo-2-methoxypyridine

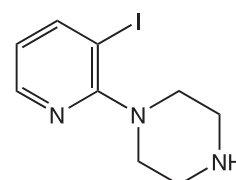

H50107

2-Chloro-4-iodo-3-methylpyridine

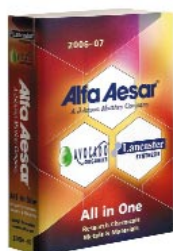

H50029

4-Amino-5-iodopyridine-3-carboxaldehyde

H50056

1-(3-Iodopyridin-2-yl)piperazine

For information on these and over 2000 other new products, look in the new "All in One" catalogue.
